FACD Series P.A. Amplifier

P240FACD

240 Watt P.A. Amplifier with FM Tuner & MP3-Ready CD Player

Speco Technologies' FACD Series UL Listed Amplifier is designed as a perfect solution for commercial applications where power, reliability, functionality and performance are essential. Offering up to 240 Watts RMS, this premium amplifier features an FM digital tuner and MP3-ready CD player. This model is designed to meet the needs of contractors; offering ample input connections such as 6 XLR MIC connectors, a 600 Ohm telephone paging input and an auxiliary 200mV input. These input specifications are complemented by a 70 Volt or 8 Ohm speaker outputs, a 'Music-On-Hold' output and five 70V zone outputs.
